

As noted, rooming assignments will be made on a first-come/first-serve basis. If your room isn't filled to capacity, it's possible others may also be assigned to your room. To help us in making those assignments, please provide the following information:

Are you able to sleep in a top bunk? Yes No

Are you willing to share a queen bed with another? Yes No

If you must share a bed with another, who do you prefer to share with? _____

If you have certain people you would like to have in your room, please list their names below. **Note: All of you should send in your registrations together!**

Please have someone contact me about transportation.

Our Lodging

We're excited to be able to include our lodging costs in the \$50 registration fee this year! And we're also excited to share that all lodging will be within one building! That means we'll be able to mingle with everyone and won't be in separate cabins!

Eaglecrest Lodge offers the following:

- Four rooms have one queen bed and one set of twin bunks.
- Two rooms have three sets of twin bunks.
- One room has two sets of twin bunks.
- Nine rooms have two queen beds.
- Each room has its own bathroom.
- All towels and bedding are furnished.

For Fire Code reasons, **this facility does not allow any air mattresses**. Everyone will have to be in a bed this year.

We'll be wanting to fill these rooms to capacity, so make sure to indicate on your registration form if you have certain individuals you wish to room with. If you don't have anyone in mind to room with or if your room isn't filled to capacity, we'll just fill people in as needed. Rooming assignments will be made on a first-come/first-serve basis.

Come early so you have plenty of time to enjoy the weekend! You'll be able to get into your rooms by 10:00 a.m.

Our Transportation

We encourage all of you to carpool. After all, **JOY** is in the **JO**urne**Y**! If you would like someone to contact you about transportation, please indicate that on the registration slip. We'll do our best to accommodate everyone!

**Registration is limited,
so lock in your spot today!**

Our Speaker

We are pleased to have **Sherry Lust** from Bellevue, Nebraska, as our speaker this year. She comes to us highly recommended by Mark Elliott, the Director of Missions for the Heartland Church Network of the Southern Baptist Churches.

The summer following her freshman year at Kansas State University, Sherry discovered her love for teaching while leading a Vacation Bible School class at her small Baptist church. She has been teaching in various settings ever since.

Sherry's understanding of God's Word was transformed when she began to study it inductively. (Inductive study is a method that brings you directly to the Word of God apart from another's understanding or interpretation of the text. It involves three skills: observation, interpretation, and application.) Sherry has attended several Precept Ministry International training workshops, and she has led Precept Upon Precept in-depth bible study classes for many years.

Several years ago, Sherry felt God's call to write and share with women what she learned from Him and His Word. Since then she has been leading women's retreat and conference sessions. Her sessions have included such topics as "Your Life: God's Story", "Living Well...by the Grace of God", "Walk in the Light", "Living a Life that says... WELCOME", "God's Blueprint for Relationships", and many others.

Sherry also frequently writes and posts devotionals on her website, Heartland Precepts (www.heartlandprecepts.com).

Sherry is married to Terry, a retired U.S. Air Force officer. They have lived in various places across the country and around the world, but she is a Kansas farm girl at heart. They have three adult children, two daughters-in-law, and five adorable granddaughters. And they grow fields of daylilies!
